

## Hospital Contacts to Discontinue the Receipt of Faxed Test Results

Updated: June, 2016

With your connection to the Quality Health Network's health information exchange (HIE) complete you will want to discontinue the process of receiving faxed hospital testing results. Below is a list of the appropriate contact at each QHN connected facility to notify to request this process change.

When more than one contact name is listed you do not need to notify all individuals, unless noted.
